This is a brief summary of the Kansas Life and Health Insurance Guaranty Association (“the Association”) and the protection it provides for policyholders. If there is any inconsistency between this notice and Kansas law, then Kansas law will control.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. (For purposes of this notice, the terms “insurance company” and “insurer” include health maintenance organizations (HMOs)). If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Kansas law, with funding from assessments paid by other insurance companies. This safety net was created under Kansas law, which determines who and what is covered and the amounts of coverage. The basic protections provided by the Association are:

- Life Insurance
\$300,000 in death benefits
\$100,000 in cash surrender or withdrawal values
- Health Insurance
\$500,000 in hospital, medical and surgical insurance benefits
\$300,000 in disability insurance benefits
\$300,000 in long-term care insurance benefits
\$100,000 in other types of health insurance benefits
- Annuities
\$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits, as well as certain aggregate limits.

“Health benefit plan” is defined in K.S.A. 40-3005 and generally includes hospital or medical expense policies, contracts or certificates, or HMO subscriber contracts that provide comprehensive forms of coverage for hospitalization or medical services, but excludes policies that provide coverages for limited benefits (such as dental-only or vision-only insurance) and Medicare Supplement insurance.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Kansas law.

Benefits provided by a long-term care (LTC) rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity contract to which it relates.

Insurance companies and agents are not allowed by Kansas law to use the existence of the Association or its coverage to encourage you to purchase any form of insurance or HMO coverage. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and Kansas law, then Kansas law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association’s website at www.kslifega.org or contact the Association at (785) 271-1199. The Kansas Department of Insurance may also be contacted at (785) 296-7844 or KDOI.RF@ks.gov.

The claimant may send us written comments or other items to support the claim. The claimant may review and receive copies of any non-privileged information that is relevant to the request for review. There will be no charge for such copies. Our review will include any written comments or other items the claimant submits to support the claim.

We will review the claim promptly after we receive the request. With respect to all claims, within 45 days after we receive the request for review we will send the claimant: (a) a written decision on review; or (b) a notice that we are extending the review period for 45 days.

Any unpaid premium due for your or your Dependent's Hospital Indemnity Insurance under the Group Policy may be recovered by us. After insurance has been in effect for two years during the lifetime of the insured, we will not use a misrepresentation to reduce or deny the claim, unless it was a fraudulent misrepresentation.

- Cause a person to become insured.
- Invalidate insurance under the Group Policy otherwise validly in force.

Individuals selected by the Policyholder or by any Employer to secure coverage under the Group Policy or to perform their administrative function under it, represent and act on behalf of the person selecting them, and do not represent or act on behalf of us. The Policyholder and your Employer have no authority to alter, expand or extend our liability or to waive, modify or compromise any defense or right we may have under the Group Policy.

Misstatement of Age

If a person's age has been misstated, we will make an equitable adjustment of premiums, benefits, or both. The adjustment will be based on the following:
