## Important Details

Here's where you'll find the nitty-gritty details about the plan.

## Eligibility Requirements

A minimum number of eligible employees must apply and qualify for the proposed plan before coverage can become effective. If this requirement is not met, this plan will not become effective. To be eligible for coverage, you must be:

- An active, benefits-eligible employee of the Employer regularly working at least 20 hours each week; or
- An active, benefits-eligible 12-month certified staff member of the Employer regularly working at least . 6 FTE.
- Class 1: 12-month certified staff and administrators
- Class 2: Members other than 12-month certified staff and administrators

Temporary and seasonal employees, full-time members of the armed forces, leased employees and independent contractors are not eligible.

If you buy Life insurance for yourself, you may also buy Life coverage for your eligible child(ren) and/or spouse. This is called Dependents Life insurance.

You can choose to cover your spouse, meaning a person to whom you are legally married.

You may also choose to cover your child. Child means your child from live birth through the last day of the calendar year in which your child reaches age 26. Please note:

- Your child can be insured by more than one employee.
- Your spouse or child(ren) must not be full-time member(s) of the armed forces.
- You can be insured as both an individual and a dependent.

## Medical Underwriting Approval

Required for:

- Coverage amounts higher than the guarantee issue amount.
- All late applications (applying 31 days after becoming eligible)
- Requests for coverage increases
- Reinstatements
- Employees eligible but not insured under the prior life insurance plan

Visit standard.com/mhs to submit a medical history statement online.

Note: If your family status changes you may have the ability to apply for coverage or increase your coverage for a limited time without having to submit a medical history statement. Please see your human resources representative or plan administrator for more information.

## Coverage Effective Date

To become insured, you must:

- Meet the eligibility requirements listed in the previous sections,
- Serve an eligibility waiting period*,
- Receive medical underwriting approval (if applicable),
- Apply for coverage and agree to pay premium, and
- Be actively at work (able to perform all normal duties of your job) on the day before the insurance is scheduled to be effective.
*The eligibility waiting period varies; contact your human resources representative for details.

If you are not actively at work on the day before the scheduled effective date of insurance, including Dependents Life insurance, your insurance will not become effective until the day after you complete one full day of active work as an eligible employee. You may have a different effective date for Life coverage below and above the guarantee issue amount. Contact your human resources representative or plan administrator for further information about the applicable coverage effective date for your insurance, including Dependents Life insurance.

## Age Reductions

Under this plan, your coverage amount reduces to 65 percent at age 65 and to 50 percent at age 70 . Your spouse's coverage amount reduces by your spouse's age as follows to 65 percent at age 65 and to 50 percent at age 70 . If you or your spouse are age 65 or over, ask your human resources representative or plan administrator for the amount of coverage available.

## Waiver of Premium

Your Life premiums may be waived if you:

- Become totally disabled while insured under this plan,
- Are under age 70, and
- Complete a waiting period of 180 days.

If these conditions are met, your Life insurance coverage may continue without cost until age 70, provided you give us satisfactory proof that you remain totally disabled.

## Portability

If your insurance ends you may be eligible to buy portable group insurance coverage from The Standard.

## Conversion

If your insurance reduces or ends, you may be eligible to convert your existing Life insurance to an individual life insurance policy without submitting proof of good health.

## Exclusions

Subject to state variations, you and your dependent spouse are not covered for death resulting from suicide or other intentionally self-inflicted injury, while sane or insane. The amount payable will exclude amounts that have not been continuously in effect for at least two years on the date of death.

## When Your Insurance Ends

Your insurance ends automatically when any of the following occur:

- The date the last period ends for which a premium was paid
- The last day of the calendar month in which your employment terminates
- The last day of the calendar month in which you cease to meet the eligibility requirements (insurance may continue for limited periods under certain circumstances)
- The date the group policy, or your employer's coverage under the group policy, terminates
- For each elective insurance coverage, the date that coverage terminates under the group policy

In addition to the above requirements, your Dependents Life coverage ends automatically on the date your dependent ceases to meet the eligibility requirements for a dependent.

For more details on when your insurance ends, contact your human resources representative or plan administrator.

## Group Insurance Certificate

If coverage becomes effective, and you become insured, you will receive a group insurance certificate containing a detailed description of the insurance coverage including the definitions, exclusions, limitations, reductions and terminating events. The controlling provisions will be in the group policy. The information present in this summary does not modify the group policy, certificate or the insurance coverage in any way.
